

Lippert Marine Expands Leadership Team with Promotion of Becky Beckman to Director of Marine Sales

Elkhart, Ind. — Lippert Components, Inc. (Lippert®), a supplier of a broad array of highly engineered components for the leading original equipment manufacturers (“OEMs”) in the recreation and transportation product markets and the related aftermarkets of those industries, is proud to announce the promotion of Becky Beckman to Director of Marine Sales, further strengthening the company’s leadership team as the marine division continues its strategic growth and innovation initiatives.

In her new role, Beckman will work alongside existing Director of Marine Sales Jason Hamood, creating a dynamic leadership structure designed to support continued expansion across Lippert Marine’s brands, customers, and dealer network.

Together, Jason and Becky bring complementary strengths to the organization. Jason’s deep industry expertise, strategic vision, and market leadership have helped establish a strong foundation for Lippert Marine’s continued success. Becky adds extensive customer relationships, cross-functional collaboration, and team-building capabilities that will further enhance the company’s ability to serve partners and drive growth.

Beckman has been a valued member of the Lippert team for years, earning a reputation for customer-first leadership, strong dealer partnerships, and a collaborative approach that aligns with the company’s long-term vision for the marine market.

VP of Lippert Marine Sales Mike Oathout says, “I’m excited to promote Becky to Director of Marine Sales. Through outstanding leadership, a relentless commitment to customer success and a proven ability to inspire results, Becky has consistently elevated the team and our customer experience.” He continued,

“I’m confident that Becky, along with Jason, will work as one to drive growth, build strong relations, and lead our marine sales team to even greater success. “

The addition of a second director-level leader underscores Lippert Marine’s commitment to building a scalable organization focused on innovation, customer support, and long-term partnership across the marine industry. As Lippert Marine continues to grow its portfolio and expand its market presence, the strengthened sales leadership team will play a key role in advancing the company’s vision and delivering exceptional value to customers and partners nationwide.

About LCI Industries

LCI Industries (NYSE: LCII), through its Lippert subsidiary, is a global leader in supplying engineered components to the outdoor recreation and transportation markets.
