The Soundings Trade Only Group and IBEX Announce 2026 Marine Ideas Exchange Speaker Lineup and Sessions

August 19, 2026 — Chattanooga, TN — The Soundings Trade Only Group, in partnership with the International BoatBuilders' Exhibition & Conference (IBEX), today announced the speaker lineup and session topics for the **2026 Marine Ideas Exchange (MIX)** event, a dynamic morning of thought leadership, conversation and collaboration focused on the ideas and issues shaping the future of the marine industry.

MIX will take place **Wednesday, October 7, from 7:30–10:00 a.m. ET at the Tampa Convention Center** and will bring together an impressive group of marine industry leaders to explore the forces driving change across technology, artificial intelligence, innovation, leadership, and customer relationships.

The fast-paced program will feature a keynote conversation, four interactive forums and curated networking designed to give attendees meaningful insights and ideas they can take back to their businesses.

"MIX is designed to deliver something the industry needs: meaningful conversations, fresh perspectives and actionable ideas, all in one fast-paced morning," said Michele J. Goldsmith, Vice President, and General Manager of the Soundings Trade Only Group. "Every session is curated to challenge conventional thinking, spark new ideas and address the issues shaping our industry. Bringing these conversations to IBEX, with senior leaders sharing their insights live, makes MIX a unique opportunity to connect, learn, and engage."

2026 MIX Program

Keynote Conversation: *Lessons from a CEO*

MIX opens with an in-depth conversation between **Eric Fetchko, President of Dometic Marine**, and **Michele Goldsmith, Vice President, and General Manager of the Soundings Trade Only Group**. The discussion will explore leadership, vision, resilience, and the decisions required to lead successfully in a rapidly changing global business environment.

Forum Sessions

Following the keynote, attendees will choose from two concurrent 35-minute forums, followed by a second round of sessions.

Round 1 — Choose One

The Future of Marine Technology & AI

Technology is transforming virtually every stage of the marine value chain. This forward-looking discussion will explore how AI, automation, data integration, advanced manufacturing, and emerging technologies are changing the way marine products are designed, built, and delivered, and how these advances are redefining performance, production, and customer experience.

Panelists:

Aine Denari, President, Navico Group; Chief Technology Officer, Brunswick Corporation

Jarrold Seymour, VP & Marine Segment Leader, Garmin

Jonathan Lim, Investor & Advisor, MarineSource

Moderator: Michele Goldsmith, VP/GM, Soundings Trade Only Group

Changing Customer Behavior

Customers throughout the marine supply chain, from distributors, dealers and retailers to boatbuilders, boatyards and consumers, have greater access to information than ever before. This panel will examine how technology and other factors are changing customer

expectations, influencing purchasing decisions, and reshaping the relationships companies build with their customers.

Panelists:

Engelhard (Al) Sundoro, Vice President of Global Business Development, Dometic Marine

David Dunn, Senior Director of Marine & RV Sales, Garmin

Keith Ammons, Vice President, Regulator Marine

Moderator: Joe Lynch, President, ICOMIA

Round 2 — Choose One

The Process of Innovation: From Ideation to Finished Product

Great products begin with great ideas, but transforming an idea into a successful product requires vision, research, collaboration, and disciplined execution. Industry leaders will share how innovation happens within their organizations, from identifying and evaluating opportunities to design, engineering, voice of customer, marketing and ultimately bringing new products to market.

Panelists:

Eric Fetchko, President, Dometic Marine

Jens Bering, Head of Product & Solutions Management, Volvo Penta

David Chubbs, Vice President of Engineering & Operations, Regulator Marine

Moderator: Ben Stein, Editor, *Panbo.com*; Electronics Editor, *Power & Motoryacht*

AI for Business Leaders: Data, Disruption, Privacy, Policy & People

For business leaders, the question is no longer whether AI will affect their organizations, but how to use it responsibly and effectively. This session will examine the practical considerations of implementing AI, including data security and privacy, policy development, identifying opportunities for automation and efficiency, and introducing AI to teams while establishing appropriate boundaries.

Panelists:

Chris Kanaley, CEO & Co-Founder, MarineSource

Jonathan Lim, Investor & Advisor, MarineSource

Moderator: Michele Goldsmith, VP/GM, Soundings Trade Only Group

MIX Sensory Lounge

Between forum sessions, attendees will have the opportunity to connect in the immersive **MIX Sensory Lounge**, a thoughtfully designed environment created to encourage conversation, collaboration, and creative thinking among industry peers.

MIX is a **ticketed program offered as part of IBEX registration**. Attendees can learn more and reserve their seats at www.ibexshow.com/mix.

Early bird pricing ends September 4. Space is limited, and the 2025 MIX event reached capacity. Attendees are encouraged to register early.

The **2026 Marine Ideas Exchange** is presented with the generous support of **Title Sponsor: Dometic Marine; Event Sponsors: Garmin, Volvo Penta, Navico Group, MarineSource and Regulator Marine; MIX Sensory Lounge Title Sponsor: Tides Marine;** and **Sensory Lounge Sponsors: Harman Marine, Spectrum Color and Sileather.**
