FOR IMMEDIATE RELEASE

BRIG USA Welcomes West Coast Marine Services to Its Dealer Network

New Washington dealer brings decades of marine experience to the BRIG ownership experience.

FRANKLINTON, N.C., November 4, 2026 — BRIG USA is pleased to welcome West Coast Marine Services as its newest authorized dealer, expanding its presence in the Pacific Northwest.

With locations in Bellingham and Anacortes, Washington, West Coast Marine Services has supported boaters across Northwest Washington since 1986. Its team offers boat and engine sales, marine parts, maintenance, and mobile service, bringing extensive local knowledge and technical experience to the BRIG dealer network.

“We’re excited to welcome West Coast Marine Services to the BRIG dealer network,” said Tim McNulty, Vice President of BRIG USA. “Their deep knowledge of the Pacific Northwest boating community and commitment to customer service make them a great fit for BRIG. We look forward to working with their team to introduce more boaters to the brand and provide exceptional support throughout the ownership experience.”

The addition creates a new connection for boaters interested in BRIG’s premium rigid inflatable boats, whether selecting a yacht tender or a versatile boat for exploring the coast. BRIG combines refined styling, thoughtful layouts, and responsive performance for time on the water.

West Coast Marine Services’ established sales and service capabilities complement BRIG USA’s focus on supporting customers throughout ownership, from choosing a boat to ongoing care.
