Land ‘N’ Sea Launches Show Season with Strong Turnout and High Energy in Las Vegas

POMPANO BEACH, Fla. – Land ‘N’ Sea is excited to announce the successful launch of its 2026-2027 show season following the conclusion of its Las Vegas Marine & RV Dealer Trade Show held October 21-22 at the South Point Casino in Las Vegas. The event brought together dealers, suppliers, and industry professionals from across all regions for two days of networking, product discovery, education, and exclusive buying opportunities.

The energy throughout the show floor was exceptional as dealers explored new product introductions, met face-to-face with supplier partners, and took advantage of show-only promotions and incentives. With hundreds of factory representatives on hand, attendees were able to strengthen relationships, learn about the latest innovations, and gain valuable insights to support their businesses.

"Creating exceptional experiences for our customers is at the heart of everything we do," said **Mike Conners, President of Land ‘N’ Sea**. "The Las Vegas show provided a forum for dealers to discover new products, connect directly with suppliers, and take advantage of opportunities that help support their business growth. We were thrilled with the turnout and the positive feedback from attendees.”

As a leading wholesale distributor serving the marine and RV industries, Land 'N' Sea continues to invest in events and programs that help dealers strengthen their businesses, discover new opportunities, and stay connected with key supplier partners.

Land ‘N’ Sea thanks all customers, exhibitors, sponsors, and supplier partners who contributed to the success of the Las Vegas event and looks forward to continuing the momentum throughout the remainder of the show season.
